YOUTH TRANSGRESSIONS IN THE VIETNAMESE CREATIVE CITY

2020

YOUTH TRANSGRESSION IN THE VIETNAMESE CREATIVE CITY

Researcher: Dr. Sarah A. Turner
Partnering Agency: The Viet Youth Hub, Hanoi, Vietnam

Co-researcher: Linda Adams, Nguyen Thanh Thi, Nguyen Thuan

What was done this year

• Evaluation of forms of the transgression of a creative city and the position of creative hubs and spaces in the transgression of a creative city.

• Assessment of the creative city and the position of creative hubs and spaces in the transgression of a creative city.

• Living and playing of all members in creative city.

What is planned for the next year

• Continuing to evaluate and document practices based on results.

• Addressing the role of creative hubs and spaces in the transgression of a creative city.

Key questions to be asked in the next year

• How can creative hubs and spaces be used to support the transgression of a creative city?

• How can creative hubs and spaces be used to support the transgression of a creative city?

Highlights

• A creative city is not just a collection of creative hubs and spaces, but a collection of creative hubs and spaces that are used to support the transgression of a creative city.

• A creative city is not just a collection of creative hubs and spaces, but a collection of creative hubs and spaces that are used to support the transgression of a creative city.

• A creative city is not just a collection of creative hubs and spaces, but a collection of creative hubs and spaces that are used to support the transgression of a creative city.

Preliminary results

• A creative city is not just a collection of creative hubs and spaces, but a collection of creative hubs and spaces that are used to support the transgression of a creative city.

• A creative city is not just a collection of creative hubs and spaces, but a collection of creative hubs and spaces that are used to support the transgression of a creative city.

• A creative city is not just a collection of creative hubs and spaces, but a collection of creative hubs and spaces that are used to support the transgression of a creative city.
